

Access to Education and Employment

Notes on seminar held on 2nd February

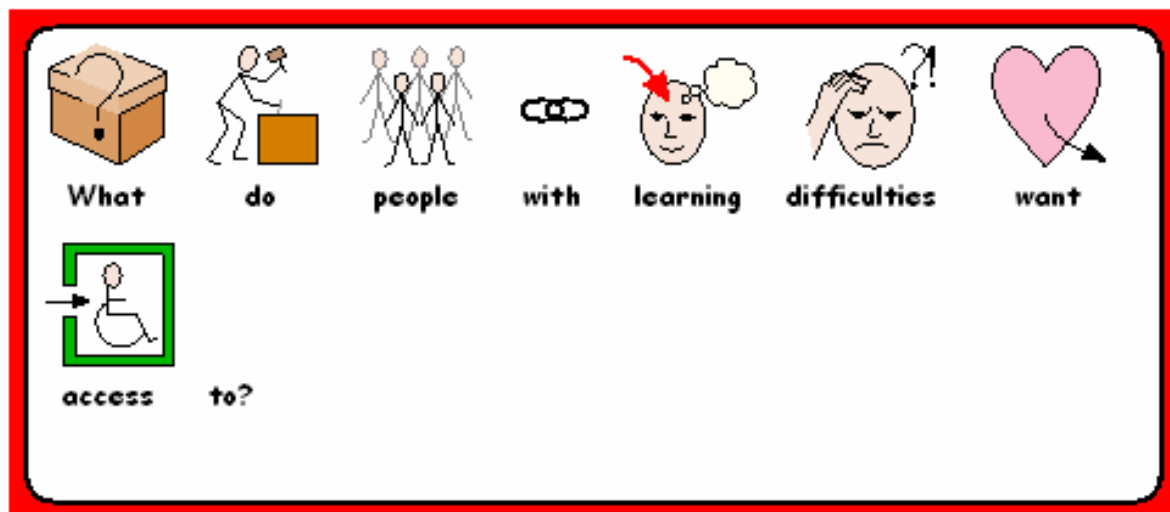

1   
 1. Bridging a gap

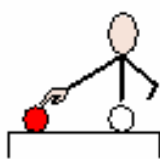

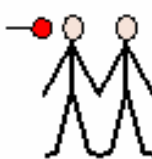

2   
 2. Offering real experiences.

3      
 3. Taking a chance if we need

 to

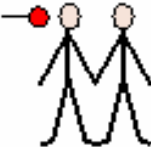

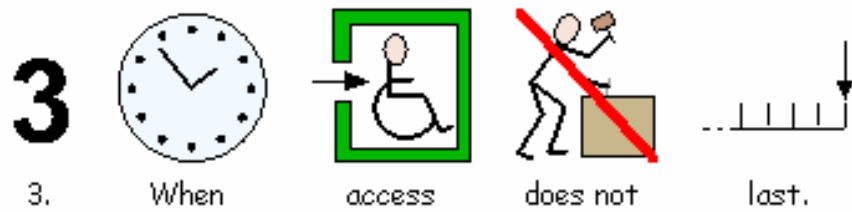

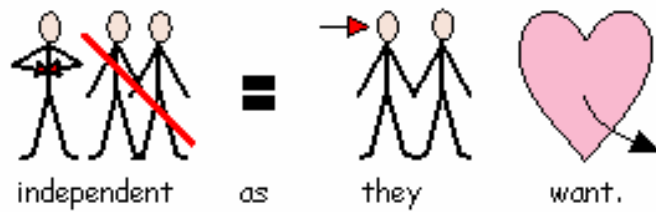

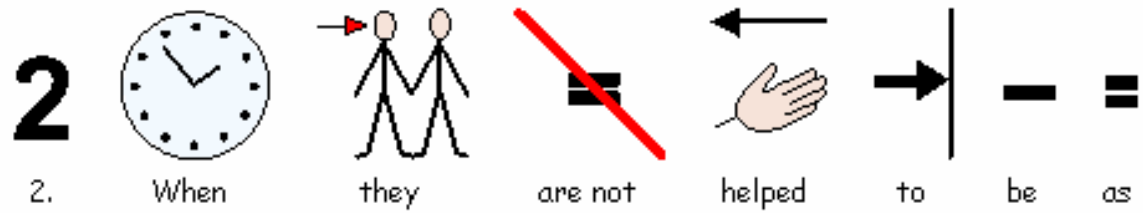

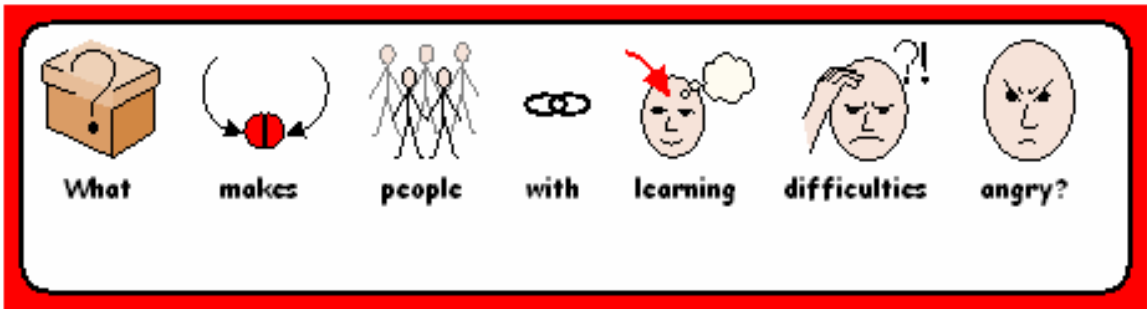

1   
 1. Real experiences.

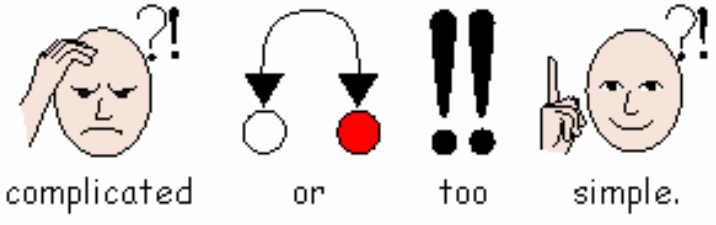

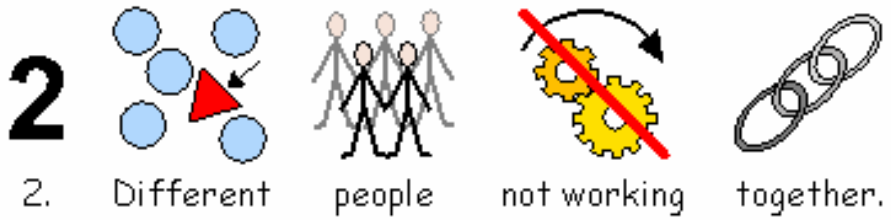

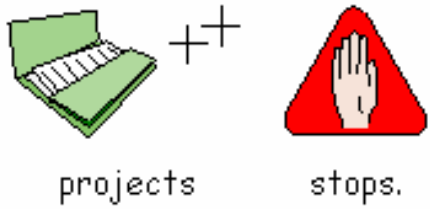

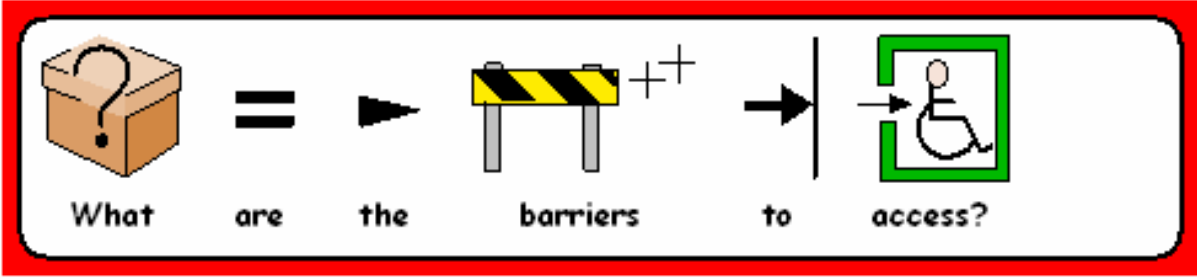

2     
 2. Jobs that match their skills

+     
 and likes, not just any job.

3     
 3. Information about why things happen

 
 in their lives.

What are people's experience of access?

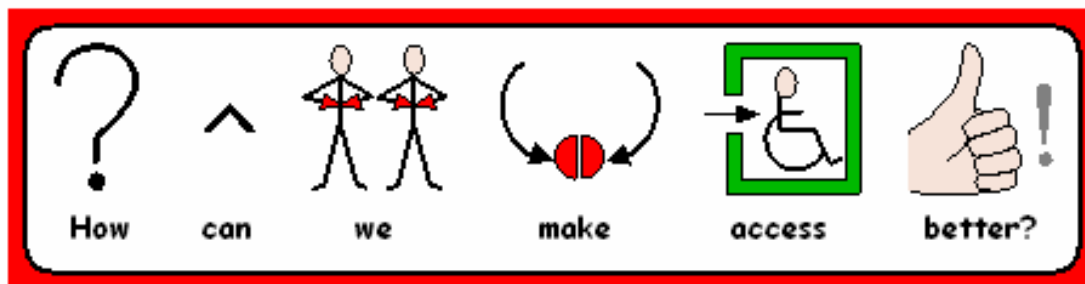

1 - ++
 1. Not being included in decisions.

2 ↓ - ↓
 2. Sometimes access is planned, sometimes it

happens by luck.

3 -
 3. Access is a lot about the

++
 relationships you develop with people.

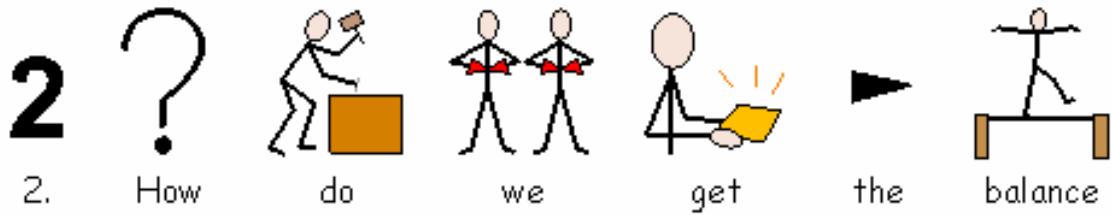

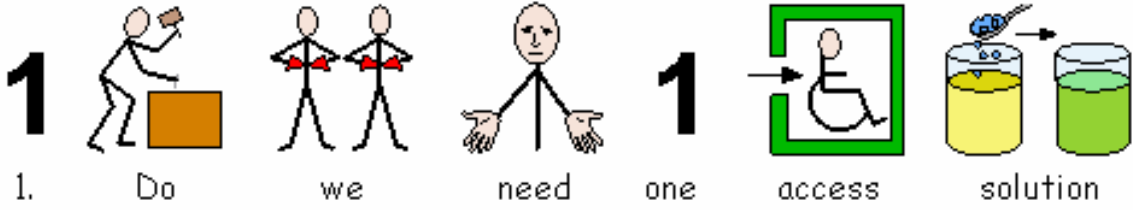

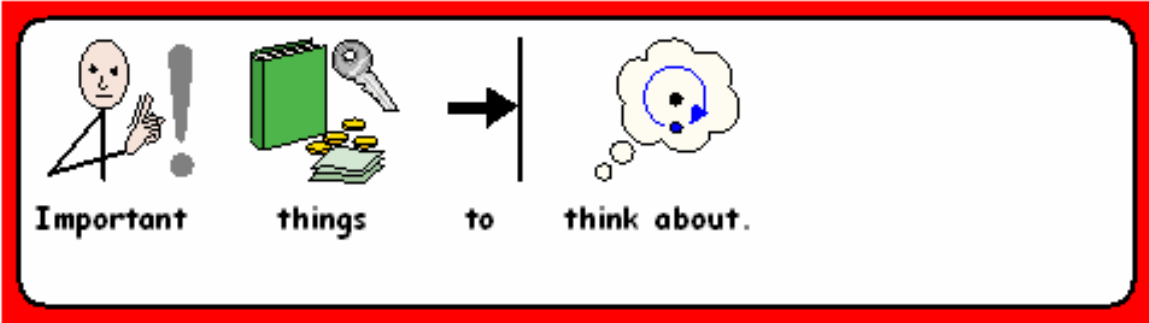

1  
 1. Individual support.

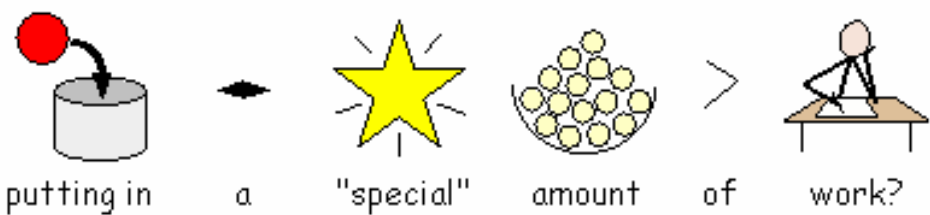

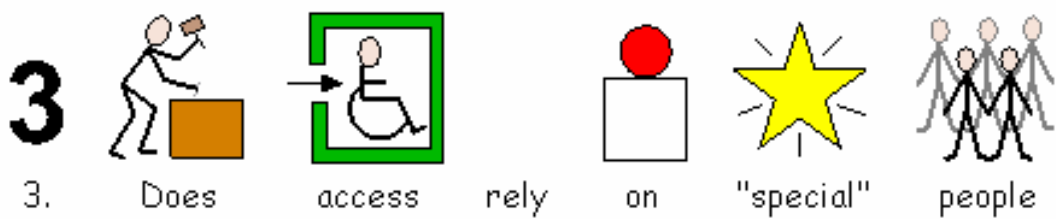

2  
 2. Continual support.

3     
 3. Start with what people can do.

4  
 4. Positive thinking.
